**Notice of Determination of a Development Application**  
issued under the *Environmental Planning and Assessment Act 1979*  
section 4.18(1)(a)

**Application Number:** DA58954/2020 Part 1  
**Applicant:** F B Longley  
**Property:** LOT: 2 DP: 572619 , 107 Berecra Road MANGROVE MOUNTAIN NSW 2250  
**Proposal:** Alterations to Existing Dual Occupancy Attached

**Date from which this consent operates**

In accordance with section 4.20, 8.13 of the *Environmental Planning and Assessment Act 1979*, this consent becomes effective and operates from the date of this notice.

**Consent to operate from**

13 October 2020

**Consent to lapse on**

13 October 2025

**Imposition of conditions**

In accordance with section 4.17 of the *Environmental Planning and Assessment Act 1979*, this consent has been granted subject to conditions of this consent.

**Review of Determination**

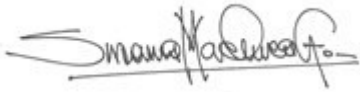

In accordance with section 8.2, 8.3, 8.4, 8.5 of the *Environmental Planning and Assessment Act 1979*, the applicant may make an application seeking a review of this determination, providing it is made in time for Council to determine the review within six (6) months of this determination.

**Right of Appeal**

Section 8.7, 8.10 of the *Environmental Planning and Assessment Act 1979* confers on an applicant, who is dissatisfied with the determination of a consent authority, a right of appeal to the Land and Environment Court within six (6) months from the date of determination. To ascertain the date upon which the determination becomes effective refer to section 4.20, 8.13 of the Act.

For further information contact Central Coast Council Customer Service Unit on 1300 463 954.

On behalf of the consent authority  
Gary Murphy  
**Chief Executive Officer**

A handwritten signature in black ink, appearing to read 'Gary Murphy', written over a horizontal line.

# Conditions

## 1. PARAMETERS OF THIS CONSENT

### 1.1 Approved Plans and Supporting Documents

Implement the development substantially in accordance with the plans and supporting documents listed below as submitted by the applicant and to which is affixed a Council stamp "*Development Consent*" unless modified by any following condition.

**Architectural Plans by:** Peter Gore Architectural Planning & Design

Drawing	Description	Sheets	Issue	Date
DA-2003.1	Site Plan	1	-	July 2020
DA-2003.2	Floor Plan	1	-	July 2020
DA-2003.3	Elevations and Section A-A	1	-	July 2020

#### Supporting Documentation:

Title	Prepared by	Date
Statement of Environmental Effects	Peter Gore	23 July 2020
Bushfire Assessment Report	Fred Longley	23 July 2020
BASIX Certificate Number A382206	Peter Gore	05 July 2020
Waste Management Plan	Peter Gore	27 June 2020

**1.2** Carry out all building works in accordance with the National Construction Code Series, Building Code of Australia, Volume 1 and 2 as appropriate.

**1.3** Comply with the requirements from the Authorities as listed below and attached as a schedule of this consent.

Government Agency / Department / Authority	Description	Ref No	Date
NSW RFS	Determination Letter	DA20200807002877	25 August 2020

**1.4** Comply with all commitments listed in the BASIX Certificate for the development as required under clause 97A of the Environmental Planning and Assessment Regulation 2000.

## 2. PRIOR TO ISSUE OF ANY CONSTRUCTION CERTIFICATE

**2.1** All conditions under this section must be met prior to the issue of any Construction Certificate.

**2.2** No activity is to be carried out on-site until the Construction Certificate has been issued, other than:

- Site investigation for the preparation of the construction, and / or
- Implementation of environmental protection measures, such as erosion control and the like that are required by this consent
- Demolition

- 2.3** Pay to Council a contribution amount of **\$760.00**, that may require adjustment at time of payment, in accordance with the Central Coast Regional Section 7.12 Development Contribution Plan 2019.

The total amount to be paid must be indexed each quarter in accordance with the Consumer Price Index (All Groups index) for Sydney issued by the Australian Statistician as outlined in the contribution plan.

Contact Council's Contributions Planner on 1300 463 954 for an up-to-date contribution payment amount.

The contribution amount is to be paid before any works authorised under a Complying Development Certificate commences and the developer is to provide the principal certifier with a copy of a receipt issued by Council that verifies the contributions have been paid. A copy of this receipt must accompany the documents submitted by the principal certifier to Council under Clause 104/Clause 160(2) of the *Environmental Planning and Assessment Regulation 2000*.

A copy of the Contribution Plan may be inspected at the offices of Central Coast Council, 49 Mann Street Gosford, or 2 Hely Street Wyong or on Council's website:

[Development Contributions - former Gosford LGA](#)

- 2.4** Assessment of the development against the provisions of Planning for Bush Fire Protection (2006) (NSW) has determined a Bush Fire Attack level (BAL) of 12.5.

Submit to the Registered Certifier for approval construction details showing that the development complies with this Bush Fire Attack Level (BAL) as prescribed by Australian Standard AS 3959-2009: *Construction of buildings in bush fire prone areas and additional measures as contained within Appendix 3 of the PBP Guidelines 2010* produced by the NSW Rural Fire Service.

### 3. PRIOR TO COMMENCEMENT OF ANY WORKS

- 3.1** All conditions under this section must be met prior to the commencement of any works.

- 3.2** Appoint a Principal Certifier for the building work:

- a. The Principal Certifier (if not Council) is to notify Council of their appointment and notify the person having the benefit of the development consent of any critical stage inspections and other inspections that are to be carried out in respect of the building work no later than two (2) days before the building work commences.
- b. Submit to Council a Notice of Commencement of Building Work form giving at least two (2) days' notice of the intention to commence building work. The forms can be found on Council's website:  
[www.centralcoast.nsw.gov.au](http://www.centralcoast.nsw.gov.au)

- 3.3** Erect a sign in a prominent position on any work site on which building, subdivision or demolition work is being carried out. The sign must indicate:

- a. The name, address and telephone number of the Principal Certifier for the work; and
- b. The name of the principal contractor and a telephone number at which that person can be contacted outside of working hours; and
- c. That unauthorised entry to the work site is prohibited
- d. Remove the sign when the work has been completed.

- 3.4** Submit both a Plumbing and Drainage Inspection Application, with the relevant fee, and a Plumbing and Drainage Notice of Work in accordance with the Plumbing and Drainage Act 2011 (to be provided by licensed plumber). These documents can be found on Council's website at: [www.centralcoast.nsw.gov.au](http://www.centralcoast.nsw.gov.au)

Contact Council prior to submitting these forms to confirm the relevant fees.

This condition only applies if installation / alteration of plumbing and / or drainage works proposed (excludes stormwater drainage). This condition does not apply to swimming pool plumbing that does not physically connect / break into the sewer system.

- 3.5** Provide and maintain a garbage receptacle at the work site until the works are completed. The garbage receptacle must have a tight fitting lid and be suitable for food scraps and papers.
- 3.6** Install run-off and erosion controls to prevent soil erosion, water pollution or the discharge of loose sediment on the surrounding land by:
- erecting a silt fence and providing any other necessary sediment control measures that will prevent debris escaping into drainage systems, waterways or adjoining properties, and
  - diverting uncontaminated run-off around cleared or disturbed areas, and
  - preventing the tracking of sediment by vehicles onto roads, and
  - stockpiling top soil, excavated materials, construction and landscaping supplies and debris within the lot

## 4. DURING WORKS

- 4.1** All conditions under this section must be met during works.
- 4.2** Carry out construction or demolition works during the construction phase of the development only between the hours as follows:
- 7.00am and 5.00pm Monday to Saturday
- No construction or demolition works associated with the development are permitted to be carried out at any time on a Sunday or a public holiday.
- 4.3** During the construction phase of the development, if any Aboriginal object (including evidence of habitation or remains), is discovered during the course of the work:
- All excavation or disturbance of the area must stop immediately in that area, and
  - The Office of Environment and Heritage must be advised of the discovery in accordance with section 89A of the National Parks and Wildlife Act 1974.
- Note:** If an Aboriginal object is discovered, an Aboriginal heritage impact permit may be required under the National Parks and Wildlife Act 1974.
- 4.4** Implement and maintain all erosion and sediment control measures at or above design capacity for the duration of the construction works and until such time as all ground disturbed by the works has been stabilised and rehabilitated so that it no longer acts as a source of sediment.
- 4.5** Keep a copy of the stamped approved plans on-site for the duration of site works and make the plans available upon request to either the Principal Certifier or an officer of Council.
- 4.6** Notify Council when plumbing and drainage work will be ready for inspection(s) and make the work accessible for inspection in accordance with the Plumbing and Drainage Act 2011.

This condition only applies if installation / alteration of plumbing and / or drainage works proposed (excludes stormwater drainage).

- 4.7** Place all building materials, plant and equipment on the site of the development during the construction phase of the development so as to ensure that pedestrian and vehicular access within adjoining public roads, footpaths and reserve areas, is not restricted and to prevent damage to public infrastructure. Further, no construction work is permitted to be carried out within the road reserve unless the works are associated with a separate approval issued under the provisions of the *Roads Act 1993*.
- 4.8** Connect downpipes and the associated stormwater disposal system to the site stormwater connection point immediately after the roof materials are positioned in order to prevent erosion of the site from roof water run-off. The Principal Certifier for the development must not issue a mandatory critical stage Compliance Certificate for framing unless connection of the site stormwater (or temporary system) has occurred.
- 4.9** Re-use, recycle or dispose of all building materials in accordance with the Waste Management Plan submitted with the subject application.
- 4.10** Demolish all buildings and / or building components in a safe and systematic manner in accordance with Australian Standard AS 2601-2001: *The demolition of structures*. Waste materials must be disposed of at a waste management facility.
- 4.11** Implement dust suppression measures on-site during bulk earthworks to suppress dust generated by vehicles and equipment. Dust must also be suppressed at all other stages of construction in order to comply with the *Protection of the Environment Operations Act 1997*.
- 4.12** Cease work immediately in that area if any relics are uncovered during excavation on-site. Contact the Heritage Office in accordance with section 146 of the NSW Heritage Act 1977.
- Work must not recommence until any necessary Excavation Permit has been obtained from the Heritage Council under section 140 of the NSW Heritage Act, 1977.
- 4.13** Re-use, recycle or dispose of all building materials during the demolition and construction phase of the development in accordance with the Waste Management Plan signed by Peter Gore, dated 27 June 2020.

## 5. PRIOR TO ISSUE OF ANY OCCUPATION CERTIFICATE

- 5.1** All conditions under this section must be met prior to the issue of any Occupation Certificate.
- 5.2** Submit a Certificate of Compliance for all plumbing and drainage work and a Sewer Service Diagram showing sanitary drainage work (to be provided by licensed plumber) in accordance with the Plumbing and Drainage Act 2011.
- This condition only applies if installation / alteration of plumbing and / or drainage works proposed (excludes stormwater drainage).
- 5.3** Prior to the occupation or use of the building/structure, an application for an Occupation Certificate for the development must be submitted to and approved by the Principal Certifier. The Occupation Certificate application is to satisfy all of the requirements of the *Environmental Planning and Assessment Regulation 2000*.
- 5.4** Complete the building in accordance with the relevant provisions and requirements of the National Construction Code Series.
- 5.5** Submit to the Principal Certifier certification prepared by a Registered Surveyor certifying that all construction has been affected within the appropriate property, easement boundaries and rights of carriageway. The certification must be accompanied by a copy of the proposed subdivision plan, with the distances from the boundaries to the edges of these structures endorsed in red and signed by the surveyor.

## 6. ONGOING OPERATION

- 6.1 Load and unload delivery vehicles wholly within the site. Delivery vehicles must enter and exit the site in a forward direction.
- 6.2 Ensure the garbage / recycling bins do not encroach on the car parking or vehicle manoeuvring areas.
- 6.3 Do not store materials, waste matter or products outside the building or the approved storage area at any time.
- 6.4 Do not place or store waste material, waste product or waste packaging outside the approved waste storage enclosure.
- 6.5 Comply with all commitments as detailed in the Waste Management Plan signed by Peter Gore, dated 27 June 2020.
- 6.6 Place the mobile garbage / recycling / green waste containers at a suitable location at the kerbside no earlier than the evening prior to the collection day and return to a screened area as soon as possible after service, no later than the evening on collection day. The general waste garbage bin must be at least 240L capacity.

The owner is responsible for the placement and return of the mobile waste containers.

## 7. PENALTIES

- 7.1 Failure to comply with this development consent and any condition of this consent may be a criminal offence. Failure to comply with other environmental laws may also be a criminal offence.

Where there is any breach Council may without any further warning:

- Issue Penalty Infringement Notices (On-the-spot fines);
- Issue notices and orders;
- Prosecute any person breaching this consent, and/or
- Seek injunctions/orders before the courts to retain and remedy any breach.

### **Warnings as to Potential Maximum Penalties**

Maximum Penalties under NSW Environmental Laws include fines up to \$1.1 Million and / or custodial sentences for serious offences.

## ADVISORY NOTES

- Discharge of sediment from a site may be determined to be a pollution event under provisions of the *Protection of the Environment Operations Act 1997*. Enforcement action may commence where sediment movement produces a pollution event.
- The following public authorities may have separate requirements in the following aspects:
  - a. Australia Post for the positioning and dimensions of mail boxes in new commercial and residential developments
  - b. Jemena Asset Management for any change or alteration to the gas line infrastructure
  - c. Ausgrid for any change or alteration to electricity infrastructure or encroachment within transmission line easements
  - d. Telstra, Optus or other telecommunication carriers for access to their telecommunications infrastructure
  - e. Central Coast Council in respect to the location of water, sewerage and drainage services

- Carry out all work under this Consent in accordance with SafeWork NSW requirements including the *Workplace Health and Safety Act 2011 No 10* and subordinate regulations, codes of practice and guidelines that control and regulate the development industry.
- Dial Before You Dig  
Underground assets may exist in the area that is subject to your application. In the interests of health and safety and in order to protect damage to third party assets please contact Dial Before You Dig at [www.1100.com.au](http://www.1100.com.au) or telephone on 1100 before excavating or erecting structures. (This is the law in NSW). If alterations are required to the configuration, size, form or design of the development upon contacting the Dial Before You Dig service, an amendment to the development consent (or a new development application) may be necessary. Individuals owe asset owners a duty of care that must be observed when working in the vicinity of plant or assets. It is the individual's responsibility to anticipate and request the nominal location of plant or assets on the relevant property via contacting the Dial Before You Dig service in advance of any construction or planning activities.
- Telecommunications Act 1997 (Commonwealth)  
Telstra (and its authorised contractors) are the only companies that are permitted to conduct works on Telstra's network and assets. Any person interfering with a facility or installation owned by Telstra is committing an offence under the Criminal Code Act 1995 (Cth) and is liable for prosecution. Furthermore, damage to Telstra's infrastructure may result in interruption to the provision of essential services and significant costs. If you are aware of any works or proposed works which may affect or impact on Telstra's assets in any way, you are required to contact: Telstra's Network Integrity Team on phone number 1800 810 443.
- Install and maintain backflow prevention device(s) in accordance with Council's WS4.0 Backflow Prevention Containment Policy. This policy can be found on Council's website: [www.centralcoast.nsw.gov.au](http://www.centralcoast.nsw.gov.au)

This condition only applies if installation / alteration of plumbing and / or drainage works proposed (excludes stormwater drainage).
